

FTSV 2024 Summer Parent Orientation Agenda

Why we Exist:

- Building character to help youth succeed in life

How we Coach:

- Provide a supportive, safe, and positive environment where **relationships** can form and participants feel empowered, and included
- **Engage** participants by creating a fun, activity-based experience where participants learn and apply our life and golf skill curriculum through participation in our games
- Deliver process-focused coaching to build a **growth mindset**. Focus is on effort, learning from mistakes, and life skill demonstration

What we Coach - Curriculum:

- All sessions are organized by grade groups – Grades 2-4, 5-6, 7-8, 9-12
- 3 parts to the curriculum – Life Skills, Golf Cues, Golf Ready
- 6 Life Skills, 6 Golf Cues, 6 Golf Ready concepts taught across all grade groups
- Each Life Skill and Golf Cue has four related tools (variations), each with three tips, one for each grade group (24 total lessons)
- Each week the different grade groups will learn one tool from each of the three parts – Life Skill, Golf Cue, Golf Ready

Classes and Achievement Challenges

- Grade Groups 2-4, 5-6, 7-8, 9-12

- Practice = 6 of 8 weeks on practice areas
- Course = 6 of 8 weeks on golf course
- Play = all 8 weeks on the golf course
- Each Grade Group Practice & Course class has golf & life challenges & standards
- FTSV Achievements are result of completing golf and life skill challenges
- Achievement is not tied to progression or next class

FTSV 2024 Summer Parent Orientation Agenda

- Achievement challenges help participants set goals and take ownership over their skill development
- Participants are encouraged to set their own achievement goals if the challenge standards are too low or too high.
- It's important to repeat sessions for retention of information and for pursuing personal goals. For example, just because we know what Respect means, doesn't mean we can't learn new ways to improve our demonstration of respect
