# National Opportunities Overview

National participant opportunities are prestigious events hosted by First Tee headquarters. These events provide teens with transformative experiences to showcase and enhance skills learned at their local Chapter, network with peers and mentors, and gain exposure to opportunities that golf provides both on and off the course.

These opportunities serve as a national stage where participants demonstrate the life skills and character values they have developed through First Tee.

## Participant Feedback

“

I feel like I really needed this experience. I've never been around so many people who genuinely wanted to connect with each other and put so much thought into every conversation and response. I would 100% recommend this experience and First Tee to anyone. It teaches you so many meaningful lessons that you can take back home and use in your everyday life.

– **Leticia, First Tee – Tampa Bay**

“

The people I was surrounded by will leave me with the most lasting impact and memorable experience. Many of the speakers left me with a newfound passion and inspiration to keep going and provided me with a new perspective when facing adversity. Meeting new participants, coaches and chaperones throughout the trip was an incredible and unforgettable experience as their company is what motivated and kept me going on and off the course.

# Attending Events

## Guidelines & Policies

### Airfare & Travel

- Airfare must be booked by the family or First Tee Chapter
- First Tee adheres to an unaccompanied minor policy when traveling to events without a parent or guardian
- Direct line of communication with staff during travel days
- First Tee HQ provides all transportation needs on-site throughout the entirety of each event without a parent/guardian including airport shuttles on arrival and departure day.

### Accommodations

- First Tee HQ provides lodging for all national opportunities
- First Tee will reimburse lodging expenses for events that are reserved independently (PURE Insurance Championship)
- Participants are paired with a roommate when attending events without a parent/guardian; rooms are assigned to gender-specific floors

### Health & Safety

- All First Tee staff and chaperones are Safe Sport trained and compliant
- Staff always carries a First Aid kit to all programming activities
- Participants who are 18 years old are required to complete a SafeSport for Youth Athletes Course as part of their acceptance forms
- Alumni Chaperones will always stay on-site at host accommodations and perform nightly bed checks
- First Tee provides alternatives in consideration of all food allergens

### Emergency Protocols

- In the event of a medical emergency, First Tee will immediately contact the parent/guardian and seek urgent care
- All other emergencies are handled on a case-by-case basis, and will adhere to the First Tee Code of Conduct

# Commonly Asked Questions

## **Can teens who previously attended an event apply again?**

First Tee National Championship is the only national opportunity a participant can attend more than once.

## **Is financial assistance available for travel costs?**

Yes! First Tee provides tier-based stipends for all events based on airfare costs. The maximum stipend amount is listed on the application and Acceptance Packet for each event. Additional needs-based stipends are offered for PURE Insurance Championship. Stipends are paid directly to Chapters approximately 3 to 4 weeks after the event's conclusion. Families are responsible for coordinating reimbursement with their Chapter.

## **Do participants need to travel with a chaperone?**

No, most First Tee national events do not require a parent/guardian to travel with participants. The exceptions are the National Championship and PURE Insurance Championship, which both require parent/guardian chaperones.

## **My child has never traveled alone. How can I ensure their safety?**

Great question! First Tee staff and our Alumni Chaperones ensure a direct line of communication throughout travel days. Unaccompanied minor services may be booked through the airline, but is subject to policy and availability. If you are interested in booking this service, reach out to the event lead to discuss options prior to booking. Families will be responsible for additional cost.

## **Can parents or guardians travel with their teens to an event?**

Yes, parents are welcome to travel to the event location. However, you will not be able to stay with your teen during the event itself. Parents are responsible for arranging their own accommodations and transportation. If you plan to drop your teen off at the event venue or leave them with our chaperones at the airport, please contact event staff in advance.

## **What if flights are delayed or we encounter travel issues?**

Travel delays will happen! Rest assured, our team tracks participants' flights and will work with parents/Chapters through all travel issues, ensuring we have chaperones at the airport when they arrive. If a participant is delayed on their departure day, First Tee staff will stay with your teen until their flight departs, whether that is the same day or next day. We will also cover any additional accommodations cost.

## **Will First Tee provide an absence excuse letter for school?**

Absolutely! Please reach out to the event lead, and they will happily send a signed letter for your school.
