# Join the Caddy Club Majors

Our kids and teens are facing challenges unseen by previous generations. Many lack access to safe opportunities that foster acceptance and provide mentorship.

**First Tee - Silicon Valley** develops youth through golf. We enable kids to build the strength of character that empowers them through a lifetime of new challenges. By seamlessly integrating the game of golf with a life skills curriculum, we create active learning experiences that build inner strength, self-confidence, and resilience that kids can carry to everything they do.

We believe that ALL youth deserve the chance to grow in a supportive environment with mentors guiding them - we are dedicated to building a youth development program that is accessible, diverse and as impactful as it is fun.
